Sir:

This application was filed on February 14, 2005 as a national phase application of PCT/DK2003/000535. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application Nos. PA 2002 01207 and PA 2003 00762 filed on August 14, 2002 and May 20, 2003, respectively, and U.S. provisional application no. 60/403,345 and 60/472,225 filed on August 14, 2002 and May 20, 2003, respectively.

The filing receipt mailed June 5, 2006 omits the U.S. provisional application in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due. Should any fees be due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: April 13, 2010
